REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:
Claims 32, 36, 38-40, 42, 44-48 and 50 are allowable over the prior art of record. The claims have been amended to recite that an opening is formed in the dielectric layer baring the anti-reflective coating and then metal is deposited over the dielectric and in the opening. The primary reference, Blatchford, does not teach or suggest this limitation to the process and the secondary references do not correct for this deficiency.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication should be directed to Examiner K. Duda at (571) 272-1383. Official FAX communications should be sent to (571) 273-8300.
